

SoldSmart International offers a variety of solutions to recover the value of your overstock, expand your merchandise to the new markets, sell stock seconds or end of line products. Our goals are the same as yours, to sell merchandise quickly and receive top dollar revenues. Through our distribution channels 70 million potential customers will see your products worldwide. As a Platinum PowerSeller on eBay Australia we have sold thousands of auctions for our clients achieving prices 50% to 70% higher than competitive distribution channels.

BulkOffload

You ship your surplus inventory to our distribution centre and we sell it for you! SoldSmart manages the complete distribution channel by warehousing, marketing, selling, and shipping your merchandise. When your merchandise sells we will send you the check. At 50% to 70% better sale prices than alternative liquidation channels SoldSmart presents better alternative for vendors.

Client Benefits:

- New distribution channel with 70 million potential customers
- Higher selling prices
- Full-time customer care support staff
- Complete payment process management
- Current relationship protection by selling under the SoldSmart name
- Total warehousing & logistics support

PrimeRelease

You send us samples of the merchandise, we take professional photos, write descriptions and start selling! Once the item is sold, we let you know that it is ready to be shipped. When it is shipped you will receive a check. Prices we achieve are usually 50% to 70% higher than alternative liquidation channels.

Client Benefits:

- Alternative marketing channel reaching 70 million potential customers
- Higher selling prices
- Full-time customer care support staff
- Complete payment process management
- Identity protection using SoldSmart brand
- Shipping and packaging list support

QuickConvert

Need cash and/or space right away? Let SoldSmart take merchandise out of your hands. SoldSmart makes you an offer on your products when others might not. Our liquidation channels make it easier to get rid of your merchandise quickly. Once the offer is accepted you ship the merchandise to us SoldSmart sends the cash. Make the liquidation process as easy as possible by letting SoldSmart take over.

Client Benefits:

- Extra cash and space received quickly
- Reputation protection using SoldSmart brand name
- Higher selling price
